WHEREAS divers Perſons do illegally practice Phyſick about this City of *London*, in Defiance of the known Statutes of this Realm, and have been, and are greatly Countenanc'd and Incourag'd in their undue Practices by ſome Members of the College; who, by concurring and joyning with them, in Conſultation about the Sick, have, as far as in them lay, authoriz'd and promoted ſuch Contempts of the Laws of the Land, contrary to a Statute of the College long ſince made, and often confirm'd forbidding expreſly All its Members to hold any ſuch Conſultations with any Perſons not legally authoriz'd to practiſe Phyſick upon the Penalty of Five Pounds for every ſuch Offence: We, the Preſident and Cenſors of the ſaid College, deeply ſenſible of the evil Conſequence of theſe illegal Practices, do hereby give Notice, That whatever Member of the College ſhall hereafter by due Proof be convicted before them of the aforeſaid Offence, the Penalty ſhall not only be impartially inflicted, but all ſuch means us'd to reform this Abuſe, as the Laws of the Land have put into their Power; and hereof all Members are requir'd to take Notice.

Edward Browne, Preſident.

Walter Charleton,
Charles Goodall,
Hans Sloane,
John Branthwayt,
} Cenſors.

Datum 2do. die Septembris, in Comitiis Cenſoriis ex Ædibus Collegii noſtri.

Joh. Bateman, Regiſtrar.
